## ALUMNI CELL

The Alumni Cell of A.K.T. Memorial College of Engineering and Technology is established with the objective of strengthening and sustaining lifelong relationships between the Institution and its alumni while promoting academic excellence, professional networking, institutional development, and mutual growth in alignment with the vision and mission of the Institution. The Alumni Cell serves as a dedicated platform for fostering continuous interaction, collaboration, mentorship, knowledge sharing, career guidance, and professional support among alumni, students, faculty members, industry experts, and other stakeholders. The Cell aims to build a strong alumni network that contributes towards academic enrichment, industry interaction, entrepreneurship development, placement support, research collaboration, and overall institutional advancement.

The Alumni Cell systematically plans, organizes, and coordinates various alumni engagement and development activities such as alumni association meetings, alumni interaction sessions, guest lectures, career guidance programmes, mentoring activities, industrial interaction programmes, entrepreneurship awareness sessions, networking events, reunions, workshops, seminars, webinars, skill development programmes, professional development activities, and community outreach initiatives. The Cell also facilitates interaction between alumni and students to provide exposure to industrial practices, emerging technologies, higher education opportunities, career development pathways, entrepreneurial ventures, and professional experiences relevant to academic and professional growth.

Further, the Alumni Cell encourages alumni members to actively participate in institutional development activities such as curriculum enrichment, internship support, placement assistance, research collaboration, innovation activities, startup mentoring, industry-sponsored programmes, scholarship support, training initiatives, and student mentoring activities aimed at enhancing employability, technical competency, leadership qualities, entrepreneurial mindset, and professional networking among students. The Cell also promotes collaboration with industries, organizations, entrepreneurs, professional bodies, and academic institutions through alumni support for strengthening industry-institute interaction, research opportunities, innovation practices, and community engagement activities within the Institution.
